

Authentic Mexican Street Food

Naughty Chile Taqueria's 8-ft Kiosk Program is the simple-to-operate turn-key platform to serve premium Mexican street food in your store.

The program features:

- Delicious made-to-order authentic street tacos
- Authentic Southwestern burritos handmade from old family recipes
- Exceptional Mexican food for all day-parts: Breakfast, Lunch, and Dinner
- Catering program menus and modules
- 8' Kiosk with flexible design packages
- Complete turn-key package with all equipment and supplies
- Ventless cooking minimal food prep and cooking; No vent hoods required
- All electrical is 120v; No need for expensive 240v electrical build-outs
- Licensed food service concept with scalable designs
- Outdoor signage and POS graphics packages
- On-site training and Grand Opening marketing consultation
- Naughty Chile Taqueria employee uniforms

Naughty Chile Taqueria has many platform options:

- 8' Kiosk
- In-line and food court (great conversion options for old and tired brands)
- End-Cap with seating
- Full Size Restaurant with seating
